

WE TREAT GOD HEALS

Dear Friends,

Peace I offer you, not as the world gives

The word 'Peace' is a verb, an active/ living peace. There is mobility in it. Living peace is like a nut that moves smoothly through the bolt grooves, when it is introduced in alignment. To be in His will, rejoice in the realization that His will is always the best and partnering with Christ is a privilege that transforms hardships, labour and loss. So let us rejoice in God's will.

I am happy that the "CF Connect" is being re-introduced. We hope that it helps every staff, student and alumni to be connected with what is happening now here at CFH. Change of office bearers happened on 15th August. As a community we rejoice with Dr.Latha Paul who was awarded Jewel of India award. The Dental department hosted a Dental Conference from August 31st to 3rd September. "More than Conquerors", the 2016 Sports was inaugurated on 10th September. In connection with Gandhi Jayanthi, there was a "Clean ODC" Campaign where our staff & students joined with the municipality workers in cleaning the drains and the police compound next to MM Ward and later a rally was taken through the town up to the Municipality. Thanks to the Community Health Department who took the leadership. Parking lot and canteen are under fresh contract from this month and a 'coffee/tea Kiosk' is expected to start in OP waiting area soon. Staff enrichment programs are going on. 14 batches of 25 staff have attended the program. New scan rooms and office building are nearing completion. Pachalur ground floor work (kitchen & hall) is over and 1st Floor work (10-Rooms) is about to start. Cobbas 411 machine for hormone analysis etc was installed in lab. Let us as a community continue to work together for the expansion of Gods kingdom.

- Dr. Valsa Tharien, Medical Superintendent

Praise God for....

Mrs. Rajeswari .R has been blessed with a Boy baby on 23rd September 2016.

SERVING GOD AS A COMMUNITY...

Serving God as a community is a special calling from above. The word "com – unity" means "with unity". We are called to live together as people of God. Living together as one family (community) needs a disciplined life. The focus of the family should always be the creator who has called us to live so. In the day of Pentecost, when disciples (nearly 120) came together with one accord, they received the promised Holy Spirit with power. They were willing to obey God's command in Matthew 28:19 "to make disciples of all the nations" and were successful in it.

A Christian community's goal is that, we should become mature everyday by focusing on Christ and obeying Him. We are called to love one another, forgive each other, regard each other more highly than ourselves, teach, correct, encourage and pray for each other. Let us bear each other's burden, be friends, kind, compassionate and generous in hospitality, serve and submit to one another out of love and reverence for Christ so that we can establish the kingdom of God.

"Serving God as a community is by living as a witness for Christ"
